5:30 – 6:30 pm @ Golf Shots

## WAIVER OF LIABILITY

The Golf Shots Driving Range Junior Golf Program while teaching basic swing mechanics, etiquette, rules, and sportsmanship on the golf course and driving range, place the safety of your child first and foremost throughout each session. Safety rules will be explained prior to the start of the first session and reinforced throughout the season. These safety rules are extremely important and a major reason why Golf Shots Driving Range has managed to avoid a serious injury since the inception of the junior golf program.

There are inherent risks of injury in any activity where swinging of clubs and hitting balls are being introduced. This is also true in golf and is important for the parents to periodically review and question their children on safety rules during the program.

We/I, the parents of \_\_\_\_\_ (please print) do acknowledge that we/I have been advised that there are inherent risks of injury associated with the sport of golf. Because these risks, we/I recognize the importance of the safety rules and agree to assist the golf staff in reviewing these rules periodically.

In consideration of Little Harbor Country Club located at Little Harbor Road, Wareham, MA, Golf Shots Driving Range located at 123 Sandwich Road, Wareham, MA allowing \_\_\_\_\_ (please print) to participate in the golf program, I assume all risks associated with participation and agree to hold Little Harbor Country Club and Golf Shots Driving Range located at 123 Sandwich Road, both located in Wareham, Massachusetts collectively and individually, its employees and staff, harmless from any and all liability, actions, causes of actions, debts, claims, or demands or any kind and nature whatsoever which may arise by or in connection with my son/daughters participation in the junior golf program.
