As the temperatures begin to fall and winter is right around the corner, it is time to start thinking about the 2019 golf season. At the moment it seems far away, but it will be here before you know it! We want to thank all of you for a wonderful 2018 season and hope all of you had fun this year. 2018 started out slow with what seemed to be an extended winter. Thank you for your patience during our spring clean up after those bad storms that rolled through last March. We can only hope that Mother Nature will be a little better to us this year and provide optimal weather conditions.

Looking towards next season we have made a few changes to our membership pricing structure. There are two dates for early payment incentive. Keep in mind that gift cards are not included with Unlimited and Weekday passes this year BUT the cost is less than it was in 2018. Please take advantage of one of the early price break incentives. See our attached membership pricing sheet for a breakdown of all pricing.

We are also offering incentives to ALL current members when they bring a new member to the LHCC. This reward can either be in the form of \$ OR a reduced membership price in 2020. The choice is yours. Please refer to the Membership Incentive Program page for more details. If you have any questions on memberships or the incentive program, please feel free to contact us at the clubhouse before 12/31/18 at 508-295-2617. After January 1st, please feel free to send us an e-mail with your concerns and we will get back to you as soon as possible.

We will be closed for the months of January, February, and March and plan to open April 1st. We want to thank all of you for your continued support of Little Harbor. We hope to see all of you back here during the 2019 season.

From our Little Harbor Family to Yours, we wish you a Safe and Happy Holiday Season!
