November 4, 2019

It is hard to believe that 2019 is coming to a close. The year began slowly with a pretty dismal weather pattern during the spring, once that was behind us there were many great golfing days ahead to enjoy! League play and tournament play saw an increase in numbers and there were many new faces at the LHCC this year.

In speaking with many of these new golfers, we were consistently rewarded with positive remarks about the course. We realize it is not just the greens, fairways and tees that make a golf course fun to play, it is the people that play here as well. We are family at the LHCC and many people that come through our doors appreciate the camaraderie and friendship that develops here.

Whether you play once a month or five times a week, we love to see you at the course. We appreciate your dedication to Little Harbor. It is golfers like you that make the LHCC what it is. Thank You.

Unfortunately membership costs have increased ever so slightly for 2020. The good news is the increase is very modest. We have to do this in order to keep up with increasing expenses of our business. All memberships will be honored through 12/31/2020.

The holiday season is just around the corner whether you like or not! ☺
Gift cards are available online as well as in the Pro Shop.

Once Again... Many Thanks! Have a Safe and Happy Holiday Season!
