

Opening Day Update

The golf course plans to open on Friday March 27th. Due to the current situation regarding COVID-19 and the directives we have been given from the State and Federal Government, we will be operating with restrictions AND a steadfast focus on cleanliness. We will be sanitizing the facility each and every day. Our focus will be on areas of contact especially the restrooms, drive carts, & pull carts. The attendant in the Pro shop will be wearing latex gloves.

PLEASE do not plan on playing at Little Harbor if you are showing any signs of the virus or have been in contact with anyone that is either a presumptive or confirmed case. Play is at your own risk.

All tee times must be booked online or by phone and paid with a credit card at the time of booking. Cash will not be accepted. In case of inclement weather and we close the course, your greens fee will either be refunded on your credit card or credited for another round another day.

When you arrive for your tee time, please go to the Pro Shop window located next to the 1st hole. An attendant will be there to check you in. Tee Times will be available from 9:00 to 5:00 with 15 minute intervals. Drive Carts will be available only for tee times booked from 9:00 to 1:00. Tee times booked after 1:00 will be walking only.

Limited refreshments will be available at the window. Credit cards and checks will be the only form of payment accepted for these purchases.

You will not be paired with anyone that you did not sign up to play with. Please keep "social distancing" in mind when approaching other golfers on the course.

The clubhouse will be closed to the public except for use of the restrooms. Flag pins stay in the cup. Please do not remove them. There will be no rakes in the sand traps or water coolers on the course.

These are difficult times to say the least. We have made changes to our daily operation to keep you safe. We also hope to bring you a sense of normalcy during a not so normal time.

Stay well. Hope to see you soon.
